REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: Claims 1-20 are allowed over the prior art of record. Current invention claims a motor switch cell having first contact element rotatable between neutral and active positions. The rotatable element having upper first contactor edge and lower first contactor edge for providing electrical connection between the first neutral contact element and the first active contact element. Claimed switch structure, in combination with claimed limitations of the base claims, are neither disclosed nor suggested by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
